

The CAO application deadline date for those wishing to avail of the 25 euro discount rate is January 20th 2014. Any student wishing to apply for “restricted” courses such as music, art or medicine must do so by February 1st, that is an absolute deadline. For the latter course, students must also register for the HPAT exam and can do so only after first obtaining their CAO application number (for more details check out the link on this site for the HPAT). Students and parents alike can click on the video links below to remind yourselves once more of the ins and outs of the CAO application process including how courses are offered in the days and weeks following the release of the Leaving Certificate results in August .
